Purpose

Section 1. General

The Illinois PGA Section (IPGA) Tournament Committee shall have the capacity to provide input for changes in operations and regulations for the IPGA Tournament Program and shall act in an advisory capacity to the Section's Board of Directors. The Tournament Committee Chairperson, in performing his/her duties attending to the general affairs of the Section tournament activity, works in reference to and is guided by those factors of the PGA of America's tournament regulations and the IPGA Tournament Committee. These regulations are currently recognized as a part of the mandatory provisions of the government of the Association in the conduct of tournament activity. No Section can act in any way at variance with the Association in these respects.

The tournament activity of the IPGA is conducted primarily to serve the interest and welfare of the members of the Illinois Section of the Professional Golfers' Association of America. The Tournament Committee shall list, in detail through this document, the rules and regulations of all Illinois PGA Section events, with the intent of promoting the highest standards of competition, camaraderie and goodwill.

ARTICLE II

Tournament Committee

Section 1. Definition

The term of office as a Tournament Committee member shall be one (1) year. The Officers of the Section, shall be invited to all Committee meetings and involved in all issues pertaining to the Tournament Committee, but will not have official status as a Tournament Committee member. (As defined in the *Illinois PGA Section By-Laws Article X, Section 1*)

Section 2. Duties

The Committee shall make decisions on matters pertaining to policy, tournament formats, pairings and prize distribution related to all tournaments, either sponsored or co-sponsored by the Illinois Section. It shall also rule on the disciplining of any player found to be in violation of the PGA Code of Ethics while engaged in tournament play or any infraction of the Illinois PGA Section tournament rules, conduct and regulations. The Committee shall not be obligated to the day-to-day operation of any individual tournament, that obligation shall be the responsibility of the Tournament Director. The Tournament Director shall also adhere to and administer the tournament regulations. Each member of the Tournament Committee shall be entitled to one vote (10 votes on all matters that come before the Committee, and there shall be no proxy voting).

ARTICLE III

Schedule

Section 1. Official Tournament Schedule

The official tournament schedule of the IPGA shall be the responsibility of the Tournament Director and/or the Executive Director. The official schedule for the upcoming season shall be posted in January of each calendar year. Each tournament shall be confirmed in writing by the host professional prior to displaying the event on the official tournament schedule.

ARTICLE IV

Illinois PGA Sanctioned Events

Section 1. Sanctioned Events

All tournaments must be approved and scheduled by the Illinois PGA Section Tournament Committee in which IPGA Section Members, approved Apprentices or approved players are to participate. Any golf competition in conflict with a sanctioned Illinois PGA Section event played within the geographical territory embracing the Illinois PGA Section, in which more than twelve (12) IPGA golf professionals participate, charging an entry fee and/or offering a purse as prize money, or an appearance fee, must be sanctioned by the Section or Chapter Tournament Chairman or the Executive Director in order for Illinois PGA Section Members and Apprentices to participate as competitors. In being processed by this route, the event then becomes part of the officially sanctioned Illinois Section schedule of events, and qualifies for inclusion on the yearly schedule. With this inclusion, the IPGA will:

1. Publicize the event on the IPGA website.
2. Approve Members, Apprentices and approved players participation.
3. Assure no other IPGA sanctioned events are sanctioned on the same date, unless approved by the IPGA Section or Chapter Tournament Committee.

Requests for sanction shall be made in writing and should be received by the Executive Director at least sixty (60) days prior to the event. Each request for sanction will be considered separately. For an event to be sanctioned, the club serving as the host site must have a PGA Member or Apprentice Head Professional serving as the resident professional, unless otherwise approved by the Executive Director.

During the play of an Illinois Section sponsored, co-sponsored and sanctioned event, another tournament not scheduled or sanctioned by the Section – that an approved player is eligible for – may not be participated in by Illinois Section Members, approved Apprentices or approved players, unless a written request for approval to participate in such an event is delivered to the Tournament Committee Chairman or Executive Director at least sixty (60) days prior to the event. Suspension from play in Section events and/or appropriate fines may be levied against violations of this regulatory rule.

NOTE: Special permission of sanction permitting play in such an unsanctioned event maybe granted only at the discretion of the Tournament Committee. PGA of America, USGA or CDGA tournament dates are not to be considered unscheduled or unsanctioned in respect to these matters outlined herein above.

ARTICLE V

ARTICLE VII

Rules of Conduct

Section 1. Section Tournament Policies

The behavior of any competitor at an Illinois PGA Section event shall be carefully observed by the Tournament Committee. IPGA Members and Apprentices should be aware at all times to conduct themselves in a manner befitting professionals and to influence amateur partners to abide by the same standards.

If the professional conduct of a Tournament Committee Member is brought into question, that Member will be refrained from the initial conduct meeting by the Committee.

Section 2. Violations

Members, Apprentices and amateur contestants competing in an Illinois PGA Section event shall be deemed to have violated the Rules of Conduct by:

1. Displaying malicious damage to a golf course, or any damage to any other part of the host facility.
2. Displaying disrespect for PGA staff, sponsors, host facilities, golf course staff or other competitors.
3. Using loud, crude language during an IPGA event as a participant or spectator.
4. Engaging in excessive drinking at the site of an Illinois PGA Section tournament (before, during or after the actual competition).
5. Throwing or breaking a club in anger or disgust.
6. Displaying disrespect for the etiquette of the game.

8. Conduct unbecoming a professional, which shall include not presenting a neat appearance in both clothing and grooming.

Section 3. Penalties

The Committee will review reports of inappropriate behavior and, if deemed appropriate, will file a grievance with the Section in accordance with the PGA of America Code of Ethics procedures, or if the actions of the player fall under the above stated violations, that player will be brought to the Tournament Committee and disciplined as described below.

If the Committee determines these above actions require discipline, the following penalties shall apply. A fine of \$100.00 shall be levied for the first offense. A fine of \$150.00 shall be levied for the second offense, and suspension of playing privileges in the Section for one year shall be levied for a third offense. Any player that is found guilty of more than three offenses for conduct violations may, at the sole discretion of the Section, be permanently prohibited from participating in Illinois Section and PGA of America tournaments and also may be subject to PGA of America Code of Ethics charges.

All fines must be paid to the Illinois PGA Section before the player is allowed to play in another Illinois PGA Section event.

Individuals who wish to have the conduct of a professional during an IPGA event subject to review by the Tournament Committee are to notify the Committee Chairman or the Executive Director in writing within 10 business days of the close of the event.

Players disqualified from a tournament shall be required to pick up immediately and leave the golf course.

ARTICLE VIII

Tournament Rules and Policies

Section 1. General

The following rules, policies, procedures of the Illinois PGA Section shall be carried out in all Section tournaments. All details relating to entries, starting times and groupings, scoring and the play of the game shall be handled by the Tournament Director with the aid of the Tournament Committee.

Section 2. Rules of Play

All tournaments conducted by the Illinois PGA Section shall be played under the Rules of Golf as approved by the United States Golf Association (USGA).

1. All supplemental / local rules or modifications to the USGA Rules of Golf shall be set forth by the Tournament Director and approved by the Tournament Committee. These rules will be posted on the IPGA Hard Card and printed on the supplemental / local rules of play paperwork at each tournament site.

Section 3. Conduct of Event

The Tournament Director shall oversee all aspects of each tournament and shall be in charge of all personnel who assist in the conduct of the tournament.

Section 4. Tournament Field Size

The field size will be posted on each tournament page at www.ipga.com, if the maximum field size is reached prior to the entry deadline; a waitlist will be created, (*per Article VI, Section 3*).

Section 5. Tournament Starting Times & Groupings

All starting times and groupings will be created by the Illinois PGA Section office. These pairings will be published no later than 48 hours after the tournament entry deadline, unless extenuating circumstances occur. The groupings and times published on the official starting sheet will be final. There will not be any deviations from the final pairings unless approved by the Executive Director, Tournament Director and/or Tournament Committee.

For multiple round events using a re-pair method, all players will be re-paired according to score only, no requests will be granted for specific starting times.

Section 6. Discontinuance of Play / Rain-out Procedures

The policy for discontinuance of play will be consistent with Rule 6-8 of the USGA Rules of Golf. The IPGA Tournament Director, after consultation with the on-site staff has the right to order discontinuance of play due to a dangerous situation. The decision to resume play, postpone play or cancel play rests entirely with the on-site tournament staff. Discontinuance of play immediately for a dangerous situation will be signaled by one prolonged siren or horn blast. Three short siren or horn blasts will denote discontinuance of play, *e.g. darkness*. Two short siren or horn blasts will signal the resumption of play.

NOTE: Players should be aware of their right to stop play at anytime they feel lightning threatens them, even if no signal has been given to discontinue play. While play is suspended, all practice areas are deemed closed. The on-site Rules Committee will let all players know when these areas are reopened.

The field will be held 30 minutes from the last lightning bolt to restart play.

Illinois PGA Section Rain-out Procedure:

1. *Single Day Event:* A total of 60% of the field must complete the round. All efforts will be made to complete the round on the scheduled day. The remainder of the field will complete the round on the following day if arrangements can be made with the facility. If this is not possible, the round will be cancelled.
2. *Multi-Day Event:* A total of 50% of the field must complete the round for the event to be suspended, if less than 50 % of the field can not complete the round, the round is canceled. Upon suspension of a round, the Rules Committee will determine, depending on conditions, whether they can complete the suspended round the following day and then have ample time to play a subsequent round. If this is not feasible, the round is canceled. Any cancellation of the first round or any subsequent round drops the event to either an 18-hole event from a 36-hole event or a 36-hole event from a 54-hole event.
3. Upon cancellation of an event, the full entry fee will be refunded to all participants in the form of a check.
4. In an event in which Player of the Year Points are to be awarded, 100% of the field must be given the opportunity to complete the round in order for points to be distributed.

Section 7. Pace of Play Policy

The Illinois PGA Pace of Play policy is posted on the IPGA Hard Card and reads as follows:

OUT OF POSITION: The first group of an event or tee schedule with three (3) competitors will be expected to play at a pace equivalent to 13 minutes for par 3's, 14 minutes for par 4's and 15 minutes for par 5's. *Pace of Play per round is 4 hours 12 minutes.* For each player in excess of three (3) in a group, the time per hole increases by one (1) minute and likewise, one (1) minute less for each player under three (3) per group. The first group may be placed "on the clock" and in addition to provisions of #2 below, will be expected to regain their position relative to the Pace of Play clock or be subjected to a subsequent penalty. Being placed "on the clock" will result in an automatic demerit.

WARNING: A group found to be two full shots and a putting green behind the group in front of them AND which is not on schedule with the pace of play chart established by #1 above, shall be informed that their group is being timed. This will serve as the only warning for each competitor prior to being penalized for subsequent slow play. Players will then have 40 seconds to play a stroke. It is reasonable for a player to have a few extra seconds on trouble shots. The player having the honor on the teeing ground or making the first stroke on the putting green of the hole being played has an additional 10 seconds for preparation. If the player exceeds this 40 second limit, he/she will be penalized as follows:

- First Offense: One (1) stroke penalty and \$50.00 fine
- Second Offense: Two (2) stroke penalty and \$100.00 fine
- Third Offense: The player will be disqualified

All players in a group placed on the clock will receive one demerit.

A player may receive two (2) demerits during the course of a tournament season with out fine. Upon receiving a third demerit, the player will be fined \$25.00. The fine must be paid prior to the player competing in another IPGA tournament. With each subsequent demerit, the fine will be doubled, with the maximum penalty being \$100.00.

NOTE: Demerits are cumulative during the entire season.

Section 8. Policy Regarding Ties

In only the Illinois PGA Section Championship, Illinois Open Championship, Illinois PGA Assistants' Championship, Illinois PGA Senior Championship, Illinois Senior Open and Illinois PGA Players Championship, if two or more players are tied for first place, the tie will be broken by a three (3) hole total-stroke playoff. If the tie is not broken after the three-hole playoff, the playoff will continue at sudden death.

In all IPGA Stroke Play Events (18-holes), including Assistant and Senior Stroke Play events, if two or more players are tied for first place, they will be deemed co-champions.

In all Illinois Open qualifying tournaments, if two or more players are tied for the last qualifying position or alternate positions to gain entry into the tournament proper, there will be a sudden death playoff to determine the winners for the respective positions.

In only the Pro-Superintendent Championship, Pro-Junior Championship, Pro-Senior Championship, Pro-Club Championship, Pro-Women's Club Championship Pro-Scratch Championship and Pro-President Championship, if two or more teams are tied for first place a scorecard playoff will determine the winners starting with the hardest handicap hole working backwards.

Section 9. Alternate Spike Policy

It is a requirement of the Illinois PGA that all individuals (and their caddies) participating in any IPGA sanctioned, sponsored or co-sponsored event wear spikeless/non-metal (alternative spike) golf shoes. The use of spikeless/non-metal golf shoes may result in the participant slipping on wet or damp surfaces (inclusive of but not limited to turf areas, wooded areas such as bridges and pathways, etc.) and reduced traction on non-level areas on the course. As evidenced by the participant's entry form into the event, the participant acknowledges that potential dangers relative to the use of spikeless/non-metal golf shoes have been disclosed to the participant and participant agrees to assume the risk of sustaining an injury arising from or attributable to the use of spikeless/non-metal golf shoes at the event site.

Participant release the IPGA and the Illinois Section's Officers, Directors, Members, employees, successors and assigns (the "Indemnified Parties") from any and all claims for loss and damage, inclusive of, but not limited to personal injury, whether or not caused by participant's use of spikeless/non-metal golf shoes at the event premises in connection with the tournament. The consideration for this release is the permission granted by the Section to the participant to participate in the golf tournament. This release binds not only the participant, but also the participant's spouse, heirs and legal representatives.

If a competitor or his/her caddie is found to be in violation of this policy after making a stroke during his/her stipulated round, the competitor will be disqualified from the event.

Section 10. Golf Cart / Caddie Policy

Players MUST not carry their own bag. Penalty – disqualification. A motorized passenger cart or caddie shall be required for all competitors. Contestants may bring their own caddies. A player or players using a motorized golf cart may NOT drive the golf cart past his ball for the purpose of scouting until all shots have been played to the green. Penalty – Two (2) strokes.

Section 11. Dress Code

The Illinois PGA has adopted the dress code policies of the PGA Tour and LPGA Tour for male and female contestants respectively in all Section sponsored, co-sponsored and sanctioned events. The dress code policy for the Tours at the time of the Illinois Section event shall be in effect. It is the responsibility of the competitors to know the details of and comply with this condition of the competition. A competitor who plays a stroke during a stipulated round in breach of

this policy shall be disqualified from the event.

During team events in which an amateur is part of the professional's team, the AMATEURS are to comply with the dress code of the host facility. It is the responsibility of the professionals competing in the event to be aware of the facility's policy and inform their amateur teammate(s).

Caddies are to wear a collared shirt or mock turtleneck shirt and shoes at all times and must comply with the host facility's rules for guest caddies or, if no such policy exists, the caddies must comply with the facility's dress code for playing guests. Denim shorts or jeans are not permitted.

NOTE: The Committee may, when deemed appropriate, modify this dress code policy for an event, round or part thereof.

Section 12. Prohibition of Communication Devices

In all Illinois Section individual and (professional-only team events), contestants and their caddies are prohibited from using electronic devices which can be used for incoming and/or outgoing communications during their stipulated round. Any electronic device which is powered-on is deemed to be in use. A competitor in breach of this rule during a stipulated round will be penalized as follows: First offense: \$250.00 fine, second offense: disqualification.
