Harris Golf Cars Challenge Series. The Illinois PGA will select two (2) holes from each of the six (6) stroke play events in the 2010 season for a total of 12 designated holes. In order to be eligible for the Challenge Series, players will be required to play in at least four of the six events (playing 8 of 12 holes). At the conclusion of the last event, each player's lowest 8 scores (relative to par) will be combined to establish an aggregate score relative to par. The best five scores will receive a cash prize.
